

Pre-Survey Worksheet: Demographic Factors – Family Structure

Which parents usually live at home with you?

(Please mark only one answer)

Two parents (*include step-parents or other guardians*)

For example:

Both my mother and my father

Two mothers

Two fathers

One parent (*include step-parents or other guardians*)

For example:

Only my mother (or a step-mother or other female guardian)

Only my father (or a step-father or other male guardian)

I live in separate homes, sometimes with one parent and sometimes with another parent

Other
